3__

TOTAL CREDITS FOR REQUIRED PATHWAYS COURSES:

42 credits

A sequence of 2 foreign language courses is required for graduation unless 2 high school credits of the same foreign language or 6 transfer credit hours of foreign language have been earned. These credits do not count toward graduation—see Undergraduate Catalog section on graduation requirements.

Prerequisites: Some courses listed on this checksheet may have prerequisites: please consult the University Course Catalog or check with your advisor.

Minimum University GPA is 2.0. Minimum in-major GPA is 2.0. All core courses and major courses count toward the in-major GPA. In accordance with university guidelines, courses satisfying degree core requirements may not be double counted to satisfy other areas of a degree.

Satisfactory progress toward the degree is defined as successful completion of the Pathways requirements for Pathways 1F, 4, MATH 1014, and HD 1004 by the time the student has attempted 72 semester hours.

In addition to satisfying all University, Pathways, and Childhood Pre-Education major requirements, students will complete sufficient Free Electives to total 120 credit hours. Students should seek advisement regarding courses required for Virginia State teaching endorsement in preparation for teaching licensure. The CPED major does not grant teaching licensure.
