

EDUCATIONAL WEBINAR

Solar Grazing with Sheep **Information & Experiences from the Virginia Region** *Thursday, November 21st 10AM-11:30 AM (EST)*

Please join us for an educational webinar on sheep grazing at utility-scale solar sites from the Virginia region. Speakers will share information and experiences across a variety of topics, including: an overview of sheep in Virginia history, markets, and management; targeted grazing programs of the American Lamb Board; using agricultural enterprise budget tools for insights into sheep grazing opportunities; solar grazing forage management considerations and experiences in the region; and highlighting some first-hand experiences from solar graziers, and more. Please join us for this educational webinar to hear these presentations and ask your questions.

Speakers: Dr. Scott Greiner – Professor & Extension Animal Scientist, Beef & Sheep; Dr. Camren Maierle - Sustainability Director, American Lamb Board; Tom Stanley – Extension Agent, Farm Business Management; Dr. John Fike – Professor and Forage Extension Specialist; John Ignosh, Extension Specialist
