

H.E.I.F.E.R.S AT VIRGINIA TECH

WHO WE ARE

We promote an interest in the dairy industry, provide unique opportunities, and foster a passion for raising and showing dairy cattle competitively in Virginia Tech students by educating and providing them with hands-on dairy cattle experience.

WHAT WE DO

We are a program that provides students with the opportunity to learn and participate in animal husbandry specifically for dairy calves. Students also have the chance to show these animals at regional events!

HOW CAN YOU GET INVOLVED

- Help support our program with fundraising!
- Like one of our calves? They are for sale in the upcoming show season!
- Join our team at Virginia Tech or help consult!
