

2024 Virginia Tech Sheep Basics 101 Workshop

Virginia Tech Copenhaver Sheep Center
Blacksburg, VA

January 19th - 20th, 2024

10:00 AM Friday - 12:00 PM Saturday

Topics to be covered include:

Basic Record Keeping, Facilities and Handling, Flock Health, Newborn Lamb Management, Nutritional and Reproduction Management

This workshop is designed for individuals who have limited or no experience in the care and overall management of sheep.

This session will showcase specific management practices required in preparation for and around the time of lambing.

Participants will attend lectures in addition to receiving hands-on experience with ewes and lambs.

This workshop is limited to a maximum of 30 participants with a cost of \$40 per person. The first 30 registrants will be enrolled. To register for the workshop, use the Google Form link located to the right.

Please make checks payable to Virginia Sheep Producers Association upon arrival Friday.

If you are a person with a disability and desire any assistive devices, services, or other accommodations to participate in this activity, please contact Scott Greiner at sgreiner@vt.edu or (540) 231-9159 during the business hours of 8 a.m. to 5 p.m. to discuss possible accommodations. Please inquire at least 5 days prior to the event.
