### SALE BOOK PREPARED BY

**Alford Livestock Service**, Elberton, GA

Virginia Tech Family,

It is with great excitement that I welcome you to the 29th annual Hokie Harvest Sale. This event has always been one of the highlights of fall. Dan Eversole and the 2023 Livestock Merchandising class have been working diligently to make this year's event the best yet. As you can see, we have given the sale book and advertisements a clean, fresh look that embodies the 29 years of effort instilled in this versatile program. Dan's efforts and guidance continue to cultivate minds and enrich the program that so many HOKIES cherish.

I am always impressed to return home to Plantation Road and share in so many memories that shaped my youth. One of the most enjoyable is to know that my alma mater continues to host one of the longest running auctions of seedstock, and they garner the VT prefix. This accolade would not be possible without the tireless efforts of Chad Joines who continues to impress his peers as an astute cattleman. Chad exemplifies the quality of this university program and has evolved from a student into the role of "Director of Beef Cattle Operations". He insures that this program is the envy of so many and one that continues to produce quality stud bulls and breed-changing matrons measured both phenotypically and genomically. The genetics within the pages to follow are genuine and powerful. They carry a prefix that has withstood the test of time, and more importantly, they are worthy of your appraisal. I had the pleasure of viewing the offering in late August. I am always available to assist you, please reach out to the marketing team or myself so that we can enhance your experience.

Sincerely,  
Thomas Carper  
Sterling Marketing Solutions

Dr. Dan E. Eversole

COLLEGE OF AGRICULTURE AND LIFE SCIENCES  
**SCHOOL OF ANIMAL SCIENCES**  
VIRGINIA TECH.

On behalf of the School of Animal Sciences at Virginia Tech, my Livestock Merchandising class and I would like to welcome you to the 29<sup>th</sup> Annual Hokie Harvest Sale. Please accept this letter as your personal invitation to join us on Friday, October 27<sup>th</sup> at 6:30 PM EDT for our annual event. Livestock Merchandising continues to be a very relevant and meaningful course in the undergraduate curriculum for the School of Animal Sciences. Nearly 2,000 students from various majors and colleges have enrolled in this course since its inception in 1995 and have later become industry leaders and prominent livestock producers. Don't miss out on this opportunity to witness another wave of future industry leaders in action!

The Hokie Harvest Sale has developed a significant reputation over the years for selling high quality, university-owned livestock and is unique to this land-grant university because it has been organized and managed by students in an experiential learning environment. Both two- and four-year students have gained "hands-on" experience in sale management, budgeting, advertising, cataloging, clerking, and livestock photography. This year's class has worked extremely hard in the planning and preparation of this year's production sale, which includes a live auction of 69 head of registered and commercial beef cattle and five quality horses being sold exclusively through an online auction at <https://horsesales.cals.vt.edu/>. Additional updates on all sale horses can be found at <https://www.facebook.com/VirginiaTechEquine/>

Our commitment to our customers has always been to provide cattle that are profitable in a variety of situations. The beef cattle program strives to raise the most predictable genetics available and will feature both purebred and commercial beef cattle. Breeders of purebred Hereford, Simmental, Charolais, and Angus cattle will be able to select AI-sired progeny from a cross-section of the VT Beef Cattle herd. The purebred females are sired by and mated to recognized, proven, and popular breed-leading AI sires and will provide a golden investment opportunity for those who have limited AI knowledge or expertise. These females combine curve-bending GE-EPDs with proven production records while our promising herd sires stem from predictable cow families. All six spring-born calves will sell separately from their dams. A strong set of commercial cows (both fall and spring-calving) and bred heifers of SimAngus origin will also be offered. SaleRing.live will provide online bidding for the cattle sale if you feel more comfortable with that format. If so, you must register at [www.salering.live/register](http://www.salering.live/register) at least 15 minutes before the sale using Google Chrome in order to watch/bid online in real-time. Complimenting this service, video is available on all sale cattle which can be accessed at <https://www.apsc.vt.edu/facilities0/beef-center.html> or at [www.salering.live](http://www.salering.live). Sale cattle will be on display throughout the week of the sale but will not be brought into the sale ring which is different from earlier years.

Our equine program is selling an excellent online offering of five quality horses. Please join us as we showcase these well-bred horses in a live viewing from 12-6 PM on sale day. The online auction will be open for bidding on October 13<sup>th</sup> and will close promptly at 6:00 PM on October 27<sup>th</sup>.

The School of Animal Sciences takes great pride in our university, our livestock, and especially our students. We encourage you to 'Come and Experience the Harvest' on Friday, October 27<sup>th</sup> and get to know this great group of future industry leaders. Funds generated from the Hokie Harvest will continue to provide funding critical to the survival of departmental programs. Many thanks to all of you for your past support and interest in our beef cattle and equine teaching programs. We are committed to making you a satisfied customer and are here to assist you in any way we can.

Sincerely,

**Dr. Dan Eversole, Director**  
Beef Cattle Programs

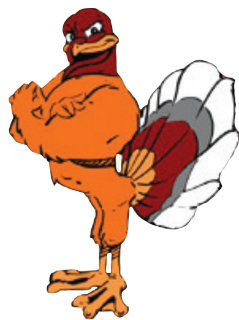

**Chad Joines, Director**  
Beef Cattle Operations

### HORSE CONTACT

**Ms. Natalie Duncan** (540) 231- 4366 office  
(703) 473-2068 cell  
[nbduncan@vt.edu](mailto:nbduncan@vt.edu)

### LIABILITY

All persons who attend the sale do so at their own risk and may be required to wear a mask, regardless of vaccination status. Neither Sale Management, Virginia Tech, nor any person connected with the sale assume any liability, legal or otherwise, for any accidents that may occur. Students and staff will be available and happy to answer questions about sale animals and present them for inspection. PLEASE DO NOT BRING DOGS ONTO SALE GROUNDS.

### INSPECTION

Cattle are available for inspection at your convenience during the week and on sale day.

### ABSENTEE BIDDERS

Buyers unable to attend the sale may send their bids to Dr. Dan Eversole, Mr. Chad Joines, or Col. Thomas Carper.

### ONLINE BIDDING

Online bidding offered through [www.salering.live](http://www.salering.live)

### AIR TRANSPORTATION

Blacksburg is a 45-minute drive from the Roanoke-Blacksburg Regional Airport, which is easily accessible to Interstate 81 and Rt. 460 Bypass. American, Allegiant Air, Delta, and United Airlines serve the ROA Airport.

### LODGING ACCOMMODATIONS

<b>Hyatt Place</b>	(540) 552-7500
<b>Residence Inn by Marriott</b>	(540) 750-4400
<b>Hilton Garden Inn</b>	(540) 552-5005
<b>The Inn at Virginia Tech</b>	(540) 231-8000

### TERMS & CONDITIONS

Cattle sell under the Standard Terms and Conditions as suggested by the American Hereford Association, American Angus Association, American-International Charolais Association, and the American Simmental Association. Cash or good check will be accepted. All purchases are to be settled for at the conclusion of the sale and will remain at the VT Beef Center until proper settlement is made.

### REGISTRATIONS & TRANSFER

Registration certificates will be transferred to the buyer at the seller's expense. Buyers must provide full name and address for transfer. Association member codes would be helpful if you are a member of a purebred breed association; however, this is not required to purchase cattle. Animal transfers will be done after settlement.

### HEALTH REQUIREMENTS

1. All cattle for sale will meet the health requirements of the Commonwealth of Virginia and appropriate health papers will be furnished for interstate shipment. Every female (4-12 mo.) has been calf-hood vaccinated for Brucellosis. All sale cattle are tested free from Brucellosis, Johne's Disease, and Bovine Leukemia Virus (BLV).
2. If sale cattle are returned to the seller for an adjustment, they must meet health requirements of the Commonwealth of Virginia.
3. Yearling bulls have undergone a breeding soundness examination (BSE) and are considered satisfactory breeders as defined by the Society of Theriogenology. Buyers will be given a copy of the BSE results.

### BREEDING GUARANTEE

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with exception of:

- a. Injury or disease occurring to the animal after time of purchase.
- b. Gross negligence or willful misconduct on the part of the purchaser.

### HERD HEALTH

All pregnant females were given a pre-breeding vaccine which consisted of a modified-live virus IBR-PI3, BVD, BRSV, and a 5-way Lepto bacterin. Any questions concerning general herd health can be directed to Dr. Terry Swecker, College of Veterinary Medicine (0442), Virginia Tech, Blacksburg, VA 24061, (540) 231-7375.

### ANNOUNCEMENTS

Announcements from the auction block will take precedence over printed material in this sale book. Virginia Tech reserves the right to withdraw any sale lot from the sale that does not meet their specifications prior to the sale.

**EPDs represented in this sale book were current at the time requested for the layout and printing of this sale book. EPDs are recalculated throughout the year by the respective breed associations, which mean the figures represented in this book may change for these animals in the future.**

## Livestock Merchandising Class

September 5, 2023

Dear friends, supporters, and fellow Hokies,

The 2023 Livestock Merchandising Class at Virginia Tech is honored and pleased to present you the 29th Annual Hokie Harvest Sale Catalog. We are excited to invite you to our in-person sale on Friday, October 27th at 6:30 PM at our very own Alphin-Stuart Livestock Arena located on Plantation Road in Blacksburg, Virginia.

Now in its 29th year, this annual auction continues to be a joint effort among all students enrolled in the Livestock Merchandising Class. Throughout this class we have had an abundant number of amazing guest lecturers who have thoroughly prepared us for planning and overseeing this sale. Overseeing the Hokie Harvest Sale teaches each member of the class valuable skills on how to manage and coordinate a successful livestock production sale, while providing high quality, hand-picked stock to the public. The 29th Annual Hokie Harvest Sale will showcase an amazing selection of 69 hand-picked purebred Angus, Simmental, Hereford, Charolais, and Commercial cattle. This year's auction includes six purebred spring pair splits, six fall-calving purebred cows, nine spring-calving commercial heifers, 12 spring-calving commercial cows, and 24 breeding-age bulls.

The Hokie Harvest Sale is also excited to offer five excellent young horses, all born and raised at our Smithfield Equine Barn. We have two 2021 Appendix Quarter Horse mares, a 2022 Appendix Quarter Horse filly, a 2022 Appendix AQHA/APHA gelding, and a 2023 Appendix Quarter Horse weanling filly. All five sale horses are registered with the American Quarter Horse Association (AQHA) with our 2022 gelding double registered with the American Paint Horse Association (APHA) and AQHA. These quality horses come from nationally ranked sires such as The Gamechanger, My Decklaration, PR Tells A Tale, DGS The Entertainer, and VT's own, the late Vested Royalty. The online auction opens Friday, October 13th and closes Friday, October 27th at 6 PM. All horses will be showcased at the Hokie Harvest Sale Horse Preview on October 27th from 12-6 PM so join us in the New Equitation Barn, located next to the Alphin-Stuart Livestock Arena, to view these lovely equines yourself! All proceeds from the Hokie Harvest Sale directly benefit the students in the School of Animal Sciences and its programs.

We appreciate your invaluable support and invite you to attend a complimentary barbeque dinner served prior to sale time in the Alphin-Stuart Livestock Teaching Arena beginning at 4:30 PM up until sale time. Join us in fellowship while enjoying some delicious food. Thank you for your continued support and interest in helping us further our education as we serve you. "Come Experience the Harvest" with us on October 27th at the 29th Annual Hokie Harvest Sale. We look forward to seeing you!

Sincerely,

[Catalog and Social Media Committee](#)

# HOW TO BID ONLINE

IT'S EASY AS A, B, C!

## Step A

Type salering.live into your browser. Salering.live can be used on your phone, tablet or desktop. We strongly recommend using Google Chrome as your browser for the best viewing and bidding experience.

## Step B

Click the "Login/Registration" button. First time users, click "Registration." Enter your personal information. Check box for "I Agree to the Terms Above." Click "Next Step." A confirmation email will be sent to the email address used in registration.

Salering.live reserves the right to refuse bidding credentials to any customer not meeting our specifications.

## Step C

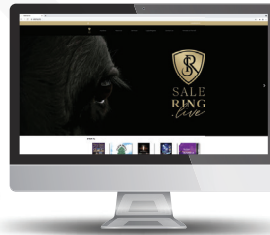

You are ready to go! You don't have to worry about a bidder number. As long as you are registered and logged in, you will be able to bid. Please remember you are on a highly sensitive web page. Please pay attention while scrolling or handling mobile/tablet devices.

## Helpful Reminders!

PLEASE MAKE SURE YOU HAVE GOOD SERVICE! You should have, at bare minimum, two to three bars of service on your cellular devices. If you are using wifi, you need to have an upload speed of 5 mbps or more. Use www.speedtest.net to test your Internet.

Refresh your screen at sale time. Do not let your computer sit idle for over an hour and then return and try to bid. The website may have logged you out.

Salering.live does not handle money. All lots purchased will need to be paid to the farm directly or to sale management.

# Collegiate Beef Leadership Council at Virginia Tech

The Beef Leadership Council strives to advocate for the beef industry, build relationships between producers and students, promote student leadership growth, and hopes to secure a positive future for agriculture and the beef industry

## Hokie Harvest Sale Horse Showcase

Friday October 27<sup>th</sup>, 2023 from 12pm-6pm  
 This is the only time when sale horses will be available for viewing by prospective buyers.  
 Virginia Tech Campus – New Equitation Barn  
 472 Plantation Rd, Blacksburg, VA 24061

### Training Details

All youngstock in the 2023 Hokie Harvest Online Horse Auction have been trained by students in the Equine Training and Marketing course taught in the School of Animal Sciences. All youngstock have been extensively handled since birth by the Equine Volunteer Program and the VT Collegiate Horsemen's Association and are taught to lead, tie, stand for the farrier, load into a trailer and much more including desensitization to a variety of novel objects. Yearlings are additionally taught to lunge and carry tack. Two-year-olds have also been introduced to ground driving. Conformation photos, training photos and movement videos of all sale horses will be available on the auction site as well as in each horse's photo album on Facebook. All horses are sold with a portfolio detailing their training progression and medical history. These portfolios will be available on the day of the Horse Sale Showcase as well as online the Monday prior. Terms & Conditions can be found on the auction website.
